You are welcome, Omar. If this policy is complete, it would be helpful to send it through Resources, Planning, and Institutional Policy Committee and Senate as an information item. Would that be possible? If we need to talk about this, I am happy to call you next week. Thanks!

Hi Jennifer, thanks for reaching out. I am happy to talk about how this unfolded, beginning with the system office asking us to document procedures for approving content. The timeline we had to work within was also very tight.

Just let me know when you have some time, and we can talk more.

All the best,

**Importance:** High

Hi Omar,

I wanted to reach out to find out what the status of the Institutional Online Resource (IOR) Governance Policy is at this time. Given my reading of the bylaws of the University Senate, I believe that the Resources, Planning, and Institutional Policy Committee should review and provide advice on the formation of this policy, as highlighted in the attached document. Please let me know how you would like to proceed. Thanks and happy new year!

Jennifer
