IV. Old Business/Review of Actions/Recommendations			
1. Peter reports on his research (Syracuse U)	<a href="#"><u>BIPC Syracuse University Inclusion and Belonging Policies.docx</u></a>		Hedy will contact Ashley Copeland, Jasmine Kelly, Desaree Henriquez Hernandez, Ranee Parker, David Anderson, Amy Whatley and Emily Jarvis

			<p>to see if existing student well-being and success initiatives on campus could potentially benefit from new or updated senate policies. If this is the case, we will invite interested persons to an upcoming BIPC meeting.</p> <p>Hedy will inquire with Amy Pinney, Chair of SAPC, about existing student-related policies at upcoming meeting of ECUS-SCC.</p>
<b>2. Faculty Training to be developed by Student Disability Resource Center</b>	<p>A) Suggestion by ECUS-SCC: Initiative to be organized by OIB</p> <p>B) Nancy reports on discussion with Council of Chairs</p>	<p>A) Michael shared that OIB has sunset. Student efforts merged with Community Engagement with Ashley Copeland as the Director and Jasmine Kelly as Assistant Director. The HUB/Blackbridge is still available as a space.</p> <p>B) The Council of Chairs of the SOE has indicated interest in sharing faculty support initiatives to be developed by the Student Disability Resource Center through departmental channels/chairs. This seems like a good model to follow for the other colleges as well.</p> <p>C) Jennifer Graham's office has indicated interest in attending department meetings to discuss neurodiversity in relation to teaching.</p>	<p>faculty support discussions with We will need to continue David Anderson. We will invite David to our next meeting (see also above).</p>
<b>3. Access to campus buildings for students with physical disabilities.</b>	<p>Michael reports on his discussion with GCSU Facilities Planning (Point Person: Ranee Parker) (see attached file).</p> <p>Hedy has also communicated with RPIC chair, Talecia Warren; issue is to be discussed at their upcoming meeting.</p>	<p>Ranee reported that design professionals consider ADA requirements in new construction. Facilities Planning keeps a short list of ADA needs and uses ADA funding as it is available.</p> <p>Ranee is open to collaborating with our committee, Student Disability Resource Center, and/or Human Resources in the future regarding ADA requirements.</p>	<p>Discuss with David Anderson existent collaborations between the Student Disability Resource Center and Facilities (both Operations &amp; Planning) (see above). Does the Resource Center consider that a new policy might be helpful?</p>

<b>4.
