

GCSU Senate Sub-Committee on Belonging and Inclusion

April 25, 2025

Present:

Kerry Evans, Javier Francisco, Hedy Fraunhofer, Maria Gordon, Mehrnaz Khalajhedayati,
Adam Lamparello, Nancy Mizelle, Christine Mutiti

(quorum)

In preparation of our work in **the academic year 2025-26**, the committee members present today **elected the following officers:**

Adam Lamparello, Chair; Javier Francisco, Vice-Chair; Hedy Fraunhofer, Secretary

The members present also decided to find an appropriate **location** on campus (preferably a conference room) for our meetings. Javier will look into this issue and suggest the location.

The Chair will send out announcements (with proposed agenda) and reminders before meetings.

Members will start the academic year by researching **existing campus policies in our committee's purview** (as available on the senate website), with a particular focus on the success of all students enrolled at GCSU independent of ideological persuasions, and in congruence with GCSU's strategic plan and QEP.
