

DUO coming to Outlook email for faculty and staff on March 27th

- What is DUO?
- Why are we using Multi-Factor Authentication (MFA)?

Tips for using DUO:

- Multiple authentication methods/devices
- What if I lose my authentication device?
- What if I receive an authentication request that I didn't initiate?
- Practice (use OneUSG or DUO Self Service)

The background is a dark teal gradient. In the corners, there are decorative white line-art elements resembling circuit traces or network diagrams, with small circles at the end of the lines.
