

*Office of the President*  
Senate Report for October 28, 2011

Presidential Search & Screen Committee

- Survey is complete
- Over 300 participants with 51% being undergraduate and graduate students.  
OUTSTANDING!
- Will use this report to gain great insight into needs of our campus

December Commencement Ceremony

- Appointed Taskforce to examine possibly
- Will be compiling justification in a proposal to Provost and University Senate

FY2013 Mandatory Student Fee Committee

- In Georgia, by State regulation, there are certain costs on college campuses (including transportation, athletics, health services, activities, etc.) for which State funds cannot be used.
- It is the policy of the University System's Board of Regents that for those costs, enrolled students be assessed mandatory fees on a per person basis.
- Any increases to those fees have to be proposed by a campus committee that is majority-student, and then approved by the Regents.
- Members: Allyn Harris, Maxwell Pichan, Holly Nix, Stephen Hundley, Gordon Thomas, Patrick Hall and myself
- Draft fee requests from departments: **October 28<sup>th</sup>**
- Fee Committee meeting to handout and discuss fee requests: **2<sup>nd</sup> week in November**
- Fee Committee meeting to vote on requests: sometime between **Nov 28<sup>th</sup> – Dec 2<sup>rd</sup>**
- Will keep the Senate informed

Wellness & Recreation Center

- Thanks to everyone that came out to the Ribbon Cutting. As I said then, it really is a jewel in our crown. A jewel that the students put! Thanks go to them.

The GIVE Center

- Construction/Renovations started a little over two weeks ago
- Plan for 30-45 days
- Everything is moving as expected

Donohoo Lounge

- Had a meeting with CWC Office furnishings to determine utilization and maximization of space
- Expect final selections and plan for space by the end of this month (October)
- Renovations will not take place until Winter Break (as to not disrupt organizational meetings currently located in the lounge)

Lights on the SGA Bobcat

*Office of the President*  
Senate Report for October 28, 2011

- Received a final project summary from Physical Plant to include two LED lights that will illuminate the Bobcat
- Funding has been granted from University Advancement
- Work to begin in the coming weeks

Bobcat Vision

- Finished installation in the WRC
- We have all TVs, mounting brackets and hardware for installation to begin in the MAX but are waiting for Capital Signs to begin work. I will be following up with them throughout the week to urge completion in the dining hall by the end of this month (October).

Town Hall Meeting

- Two meetings held
- Student's talking, SGA listening
- Meeting to address concerns firsthand

Thunder Production

- We have added two members to the production team (brings total to five members)
- Will join with cheerleaders to train Thunders

Bobcat Madness

- SGA was a co-sponsor with ThunderCrew for event on Thursday, October 20
- Evenings events included:
  1. Live band at the tailgate: Elastic Skyline
  2. 3 point contests
  3. Team exhibition
  4. Sassy Cats demonstration
  5. Free shirts and GC/Bobcat items
  6. Chance to make a \$10,000 half court shot
- Provided an SGA tailgate
